We are pleased to present the following menus specially created for our clients.

Our chef has selected nine different menus, ranging in variety and price, to give you a wide selection to choose from. If you don't see something that fits your unique vision, we will help you plan your personalized menu from our custom menu planner.

At Pacific Pasta & Grill, we believe that a great meal is more than just food, it's an experience. That's why we always make every event we cater an experience to remember, with high quality, flavorful food, beautiful presentation, and personal service that you won't find anywhere else. Pacific Pasta & Grill is a family owned and operated restaurant with our catering services headed by a mother/daughter team of Mary Sue and Niki, who help every one of our clients personally. You can rest assured when catering with us, we will always treat you like family, not just another event on our calendar, because our client's satisfaction is what is important to us.
